APPENDIX F

Public Participation Process
This section will be completed upon the completion of the progressing commenting period.

- The addresses of all neighbours, and properties within 100 metres of Portion 19 of Farm 100, Robertson (hereafter referred to as the subject land) were obtained from the Langeberg Municipality records office and entered into the Interested and Affected Persons database.

- An advert describing the proposed development, expected activities to be triggered, the public participation process and including an invitation to comment was placed in English and Afrikaans in the local newspaper, the Worcester Standard, on the 31st March 2011.

- Notices describing the proposed development, expected activities to be triggered, the public participation process and including an invitation to comment, were sent via registered and normal postage to the neighbours and properties within 100 metres of the subject land.

- In addition, registered letters and digital/hard copies of the draft Basic Assessment Report were send to the following commenting authorities:
  - Department of Environmental Affairs and Development Planning
  - Director: Sustainable Resource Management, Department of Agriculture – Western Cape
  - Director: LandCare, Department of Agriculture – Western Cape
  - Municipal Manager, Cape Winelands District Municipality
  - Municipal Manager, Langeberg Municipality
  - CapeNature
  - Heritage Western Cape
  - Breede Overberg Catchment Management Agency (BOCMA) (DWA delegated authority)
  - Central Breede River Water Users Association
  - Municipal Ward Councilor (Ward 5)
  - Department of Rural Development (Worcester)

- An A1 sized site notice, in English and Afrikaans, describing the proposed development, expected activities to be triggered, public participation process, and inviting comment, was erected at the proposed site (for the duration of the commenting period).

- Copies of the draft Basic Assessment Report is available for public view at the Robertson Public Library, the BolandEnviro offices in Worcester and on the website www.BolandEnviro.co.za/projects for the duration of the commenting period.

- The commenting period commences on the 31st of March 2011 and closes on the 9th of May 2011.

All comments received will be incorporated into the final report. Proofs related to the current PPP will be included upon completion of the commenting period.
