Appendix D

Site Photographs
Figure 0. Satellite image (Google Earth Image 2010) showing the boundary of the farm Middelburg (green) and the direction from and towards which photographs were taken.
Figure 1. Looking from the R60 N towards the western entrance of the Property.

Figure 2. Old pen previously used for small stock grazing, near western entrance.

Figure 3. Looking N from the R60 (middle entrance gate) towards the Property. The railway line is also shown.

Figure 4. Looking S from the Property towards the middle entrance gate along the R60 and the Rooiberg and Aasvoëlberg hills further S.
Figure 5. Robertson Karoo vegetation with Gannabos typically found in the valley on the southern portions of the Property.

Figure 6. Silty areas in the eastern section of the Property.

Figure 7. Robertson Karoo vegetation found along the southern portion of the Property.

Figure 8. Robertson Karoo vegetation found along the middle section of the Property (above the ridge).
Figure 9. Above the ridge along the middle section of the Property, looking N towards Langeberge.

Figure 10. Above the ridge along the middle section of the Property, looking E.

Figure 11. Above the ridge along the middle section of the Property, looking S, towards valley below and R60.

Figure 12. Above the ridge along the middle section of the Property, looking W.
Figure 13. Arid drainage line along the southern section of the Property.

Figure 14. Ephemeral water course (Agtervinkrivier) along the eastern section of the Property.

Figure 15. Proposed site for the dam wall (north-western corner of the Property).

Figure 16. Looking N from the dam wall site towards the valley (dam basin) in the north-western corner of the Property and the Langebege in the distance.
Figure 17. Looking N from the pump-site at the Breede river (Eilandia). The pipeline will cross over the hills in the distance towards the Property. The Langeberge is evident in the far distance.

Figure 18. Zoomed in image, looking N from the pump-site at the Breede river (Eilandia). The pipeline will cross over the hills in the distance towards the Property.

Figure 19. Lime factory (Cape Lime) located close to the Property, adjacent to the R60.

Figure 20. Rooiberg Winery 3.5 km towards the SE of the Property, adjacent to the R60.
