Proposed application for rezoning, consent use and departure on portion 6 of the farm Nuwe Rus No. 450, Worcester.

Your Ref: 10/3/3/486
Our Ref: 00413/11

Note: This is not an approval to connect to our services and our customer service person responsible for the area must be contacted which will refer it to our planning department for approval. Contact Johan Lesch, Tel: (023) 348-5745

Eskom has no objection to the proposal provided that the following requests are adhere to:

1. We have two registered servitudes over the abovementioned property.
2. On the northern side we have a 66kV Overhead powerline with a building and tree restriction of 11metres on either side of the centre line.
3. On the southern side we have a 132kV Overhead powerline with a building and tree restriction of 15.5metres on either side of the centre line.
4. We will not allow the development within our servitude area and the fall over distance of any equipment to be used or permanent structures must be taken into consideration for the safety and protection of our powerlines.

Yours truly,

Magda Le Roux
