- Dams

Coordinate System:
Meters, Hartbeeshoek'94,
Transverse Mercator, Centre Meridian: 19° E

Scale:
0 100 200 300 400 Meters

Flood Lines:
It is hereby certified that in accordance
with Section 144 of the National Water
Act of 1998 (Act 36 of 1998), the lines
on this drawing represent the maximum
level that would probably be reached
during a storm with a return period of
50 years, under the different scenarios
described in the legend. Portion 6 is
affected by these flood lines.
