APPENDIX E

Public Participation Process

This section will be completed at the end of this commenting period (29 April – 07 June 2010)
DESCRIPTION OF PUBLIC PARTICIPATION PROCESS

The addresses of all neighbours within 100m of Erf 1894 were obtained from municipal records and entered into an Interested and Affected Persons database.

Registered letters, in Afrikaans and English (Pgs E7 – E8), describing the proposed development, expected activities to be triggered, public participation process, and inviting comment, were posted to neighbours and landowners of property within 100m from the proposed site on the 29\textsuperscript{th} of April 2010. In addition, letters were posted to commenting authorities and organs of State.

An advert in Afrikaans and English, was published in the local newspaper, Worcester Standard, on the 29\textsuperscript{th} of April 2010, describing the proposed development, expected activities to be triggered, public participation process, and inviting comment.

An A1 sized site notice, in English and Afrikaans, describing the proposed development, expected activities to be triggered, public participation process, and inviting comment, was erected at the proposed site.

The Comment Period commenced on the 29\textsuperscript{th} November 2009 and will close on the 07\textsuperscript{th} June 2010.

Copies of the draft Basic Assessment Report is available for public view at the De Doorns public library, the BolandEnviro offices in Worcester and on the website www.BolandEnviro.co.za/projects. In addition digital copies on CD were posted to commenting authorities and organs of State.
